ARTWORK DISPLAY GUIDELINES

- Each artist may submit only one entry.
- A $10 entry fee is required at the time of submission. CASH ONLY (exact change, please!)
- All work must be original work by the exhibiting artist. No reproductions of the artist’s work (including giclée prints), copies of other artist’s work or art done from kits can be accepted.
- Outside dimension of 2-D works (this includes hanging crafts), including frames, may be no greater than 36” and no less than 11” in any dimension.
- Free-standing craft or sculpture may not exceed 18” in any dimension, including base.
- All 2-D works must be ready for hanging: matted/mounted, framed and wired, with proper label attached to the back of the work. Use screw eyes for hanging – no string, ‘saw-tooth’ hangers, table-top frames.
- Works on canvas must be wired for hanging but may be submitted without a frame if the edges/sides of the canvas are finished (not left white.) Canvases with painted edges or those bordered carefully with black duct tape are acceptable.
- Artwork should be protected, when appropriate, with Plexiglass, Mylar, glass or other clear material. Use of Plexiglass is strongly recommended instead of glass, and must be used if works are larger than 24” in any direction. The exception: chalk pastels, charcoal and chalk works should never be framed with Plexiglass, it can damage paintings using these mediums.
- Artwork valued at more than $400 must have private insurance.
- If work is incorrectly categorized, it will be moved to the correct category.
